Most Portable Mic Stand

Portable Solution for Musicians and Presenters

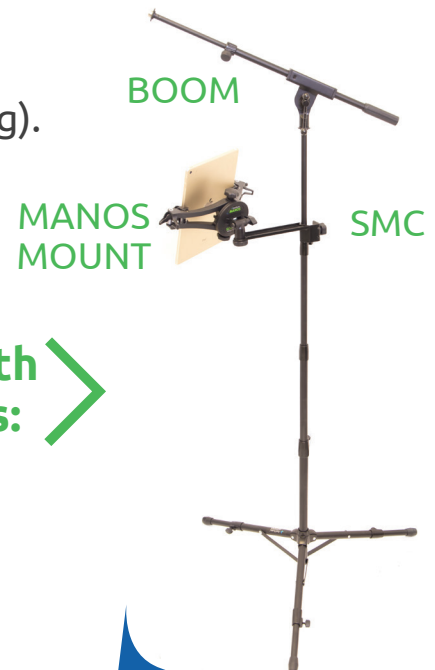

If you're a traveling musician or performer, or simply have practice at the garage down the street, carrying a mic stand has always been an awkward task.

Easily Fits into Backpacks

- Standard 5/8-27 mic thread fitting on top with locking nut.
- Steel tubing provides the weight to keep steady.
- Works with all AirTurn tablet mounting systems.
- Less than 18" (453mm) when fully folded
- 58" (1475mm) fully extended - weighs 2.6 lbs (1.25kg).
- Extended legs to keep your load secure.
